

Terrific

Terrific

This is what it's like to be poked and prodded with needles for years. Despite all of this, I actually do feel Terrific. I am trying to make light of the situation. This is a demo

I feel Terrific, Everything's Pacific. Although my situation seems horrific

Talked to the doctor this is, what he said.

You might not wake up if you, go to bed

Oh, That didn't hurt..... No, Doc, That didn't hurt

SO HERE I AM, HOOKED TO THIS MACHINE!

THE WICKEDEST THING, YOU'VE EVER SEEN

I feel Terrific, everything's Pacific. Although my situation seems horrific

And so the doctor tells me, "YOU'LL SURVIVE"

But no one ever gets, out alive

..... NO IT WON'T BE LONG,

'TIL I WRITE MY SWAN SONG

WHY THIS COULD BE THE LAST ONE!

I feel Terrific, Everything's Pacific. It's so convenient and so scientific.

If it just wasn't for the, fear and pain and

Knowing I'll never be my, self again

SO HERE I AM, HOOKED TO THIS MACHINE

A LITTLE EXTREME, YOU KNOW WHAT I MEAN? (Musical

DON'T GO FEELIN BAD FOR ME

SEE I'VE MADE MY PEACE WITH DESTINY

AND I AM HAPPY YOU SHOOULD BE TOO--- I FEEL TERRIFIC !

Terrific
