

The One Inside
I am a lost soul looking for love. My own senses can no longer be trusted.

**You're alone, this, I know
'Cause you told me so.
Was that meant, as a sign, for me?**

**Am I to think you ever, gave me a second thought
If I ever got a break, let it be now**

**If you could look in my heart
It might surprise you to see
That the one inside has always loved you
That's right!**

**Am I blowing this out of proportion, again?
Are my chances, just all in my mind (somewhere)**

**Could this be just another, one of my famous scenes?
Where I'm about to soon find out, that things are not what they seem**

**Step into my illusion
Into my virtual world.
And meet the one inside who's, always loved you
That's right!**
